September 2020

Dear Parents/carers

We are happy to welcome you all back to pre-school.

In line with Government guidelines we have implemented some changes.

Start times will be staggered in order to avoid large groups of people gathering outside pre-school.

Please could you make sure that you do not bring your child/ren into pre-school if they or any members of their household have any of the symptoms of the coronavirus. These include : High temperature, new continuous cough, loss of taste or smell. If your child has attended pre-school prior to the symptoms, or any member of their household have developed symptoms, please could you inform us. Thank you for your support in this.

Please could you ensure that only one person brings or picks up your child. Children will be taken in from the front door, parents/carers will not be allowed in. Please could we ask that you observe the 2 metre distancing rule whilst waiting.

Children will not be allowed to bring in any toys from home but, if your child is potty training, you can still bring a named bag with spare nappys and spare clothes.

Children will wash their hands on arrival. We are hoping to spend the whole of the morning in the garden but if this is not possible, due to weather, the windows in the hall will be open.

We are not expecting your child/ren to keep to 2 metre distancing but they will be encouraged to wash their hands regularly and all staff will be carrying small disinfectant spray bottles in order to clean as we go, especially door handles, toilet flushers etc... All resources will be soaked in sterilising fluid after use. Unfortunately, dressing up clothes will not be available and we are unable to use the cushions.

We will try and make the environment as fun as possible whilst still making it a safe place for your child/ren.

If you have any concerns or worries, please do not hesitate to contact me.

Kind regards

Sarah Bodle  
Pre-school Leader
