About St Barnabas Church:

We are a Church of England worshipping community in St Paul's Cray. The church was founded in 1954 with our current church building being in use from 1964. The congregation are friendly and welcoming and would love for you to join us for the service. We also have refreshments every other Sunday where tea, coffee and sweet treats are served. The people who would require collection are generally our older members who live nearby the church. The driver will have a DBS certified companion with them at all times who will help our members get into the bus from their homes.

We will be very pleased to hear from you if you have any questions. We would ideally have a rota of drivers and would like you to commit to at least two Sundays per month.

Thank you for considering us!
